This directory is not a complete listing of all WOW members; rather, it lists only those members who noted on their Membership Application to include their personal information in the Member Directory.

The information contained in this directory was supplied by you, the WOW member, when you filled out your Women On Wheels® Membership Application. This directory is reissued and updated every year so please help us keep this information current and accurate.

If you have ideas, comments, or desires regarding this directory please send them to us. Our only purpose is to help Women On Wheels® members. This directory is arranged alphabetically, by state, then by city, and finally by member's last name.

For your added benefit, we have included the businesses which are participating dealers. They are ready and willing to provide you with assistance while you are traveling.

A friendly reminder—with this directory comes the promise of friendship, the fun of sharing, the pride in each other, and the responsibility for using it wisely. Use your directory often in your travels—it will indicate those members who have lodging to share, tools to use, trailers or pickups, tent space or a phone number to call for information.

Remember to be as good a guest as you undoubtedly are a host. Those members who have indicated lodging are opening their homes to you. It is a positive sign of trust, respect and honor.

Most will lend a hand whenever or wherever needed. Appreciate whatever is given and pass it on to another. Divided we're alone—united we are among friends, and that's a terrific feeling!
